

ENJOY SENSUALITY

A key-in-hand offer of sensual cosmetics

Lessonia had just launched its new offer, Enjoy Sensuality, intended to cosmetic brands allowing them to work on the promotion of Valentine's Day gift.

Senses elation, found voluptuousness, little weakness which awakens our taste buds... What's the greed if not the envy to enjoy of good and beautiful things? Lickable cosmetics, developed in Love Stores since 2000's, is aimed at all the senses for a glamour and refine ambiance.

Enjoy Sensuality is a Private Label collection intended to brand wishing invite couples to sensual and greedy moments during, for example, the promotion of Valentine's Day gift. The range answers to the present demand of well-being and relaxation by offering products which will reveal pleasure and sensuality.

Each product from Enjoy Sensuality is minutely prepared and aims to make senses in a state of alert. Lessonia has combined sensuality with 3 energizing ingredients to perfection, moisturizing and sensual vanilla, greedy and relaxing chocolate and energizing and aphrodisiac ginger, in order to guarantee the sharing of pleasure. These vegetal and fully natural ingredients of food quality allow a safe use and an exquisite flavour of the products.
